¹ This rate is for the Master of Business programs on the Pullman campus. Students enrolled in the MBA programs at WSU Tri-Cities and WSU Vancouver, as well as students completing the legacy MBA program in Pullman, will continue to pay the regular graduate student tuition rate.

² Students continually enrolled in the Masters of Nursing program since 2004-2005 academic year pay a lower transitional rate as they complete their programs. For 2009-2010 annual building + operating rates are \$10,700 for resident students and \$24,364 for non-resident students.

³ Under a memorandum of understanding between WSU and UW, students attending the first year of medical school in Seattle, Pullman, or Spokane will pay the same total tuition and enrollment fees. These rates are set by the University of Washington for the medical school. Other mandatory fees are assessed based on the campus where the student is enrolled.
