

Applications for Pullman FY22 Services and Activities Fee Allocations

S&A Fees are paid by each student for the purpose of providing non-academic programs and services for all students at Washington State University. The term “services and activities fees” or “S&A fees” is defined to mean fees, other than tuition fees, charged to all students registering at a WSU campus. S&A fees are used to fund student activities and programs, student buildings and similar uses. These fees are authorized by RCW 28B.15.041-045.

If your registered student organization would like to take part in the application process, please ensure that individuals involved in the preparation of application materials attend one of the following training sessions during the week of February 22 – 26, 2021. All training sessions will be presented via this Zoom meeting link:
